No. 165.—Under the provisions of section 39 of the Official Trustees Act, 1913 (Act II of 1913), and in supersession of all previous notifications on the subject, the Governor in Council is pleased to make the following rules for carrying into effect the objects of the Act and for regulating the proceedings of the Official Trustee of Madras in the discharge of his duties:—

Rules for the office of the Official Trustee.

Rule I.—(1) The Official Trustee shall charge by way of remuneration in respect of all trust properties transferred to or vested in him under this Act a commission, the minimum rate of which shall be as follows, that is to say,—

On all capital monies, and on the capital value of all other properties and securities of any kind whatsoever constituting the corpus of the trust received by him, a commission of two *per centum*. On all sums received by him by way of interest or dividends in respect of monies invested, a commission of one *per centum*. On all rents collected by him a commission of two and a half *per centum*.

Provided that, as to trusts accepted by the Official Trustee prior to the 1st of April 1914, the rate or rates of commission chargeable by him shall be the same as the rate or rates charged prior to the said date in respect of each trust estate.

(2) If in any case it appears to the Official Trustee that the circumstances of a trust are, or probably will be, such as to render his duties in relation thereto exceptionally simple, or otherwise of an exceptional character justifying this course, he may remit any part of the prescribed minimum fee; but in every such case the reasons for so doing shall be recorded by him, and a report of such cases shall be submitted every half-year to the Government.

(3) When, in the opinion of the Official Trustee, the income of any trust is not liable to serious fluctuations, he may, from time to time, charge (in lieu of the commission other than commission on capital payable in pursuance of sub-rule 1 above), a fixed half-yearly fee of such amount as shall appear to him reasonable. A report of such cases shall be submitted every half-year to the Government.

Rule II.—(1) All fees and commission leviable under these rules except those chargeable to trust under the charge of the Official Trustee shall be payable to him in advance by the person liable to pay the same.

(2) All fees and commission collected by the Official Trustee under the provisions of these rules shall be paid by him on or before the 20th of the month following that in which they are realised, into the Bank of Madras, to the credit of the Government of India.

"Provided that the Official Trustee may make refunds of fees and commission overcharged from the fees and commission collected by him under the provisions of these rules."

Rule III.—The Official Trustee shall keep the following registers, books of account, etc.:—

(1) A register of trusts (Form No. 1) in which shall be entered—

(a) a summary of all trusts vested in the Official Trustee on the 1st April 1914 and of all trusts which shall become vested in him thereafter, numbered with consecutive numbers;

(b) the date of each order of court or deed of trust appointing the Official Trustee;

(c) a statement of the securities from time to time received and the disposal thereof;

(d) the names of the persons entitled to the income and capital of each estate;

(e) the rate of commission chargeable to each estate.

(2) A cash book showing in separate columns every receipt and payment through the office and every receipt and payment through the Bank of Madras, the dates of receipt and payment and the voucher numbers for each payment as well as the particular amount of all securities and cash to be balanced daily. (Form No. 2.)

(3) A ledger which shall contain a separate account with each trust estate. The dates of receipts and payments, the amount of Government and other securities, and of the cash transactions shall appear in separate columns, and each account in the ledger shall be balanced twice every year, viz., on the 30th of June and 31st of December. (Form No. 3.)

(4) A register of all Government securities, bank shares and other securities deposited in the Bank of Madras showing the realisation of interest and dividends half-yearly. (Form No. 4.)

(5) A rent book in which shall be entered each house under the management of the Official Trustee, the name of the trust estate to which it belongs, the name of the tenant, the arrears of rent if any due, the amount due for the current month, the date of realisation and the amount realised. (Form No. 5.)

(6) A receipt book containing skeleton forms of receipts with counterfoils numbered consecutively in print. These forms shall be used for all receipts given for cash and Government and other securities. (Form No. 6.)

(7) A commission book showing the receipts on account of commission and fees payable to the Official Trustee and payment thereout. (Form No. 7.)

(8) A postal despatch book for letters sent through post. (Form No. 8.)

(9) A letter delivery book for letters delivered by messenger. (Form No. 9.)

(10) A register of letters received. (Form No. 10.)

Rule IV.—(1) The Official Trustee shall; twice in every year, that is to say, on or before the first day of April and the first day of October, deliver to the Government a true schedule (Form No. 11) showing the gross amount of all sums of money and all bonds or other securities received or paid or delivered by him on account of each trust of which he is the trustee, and the balances during the half-year ending on the thirtieth day of June and thirty-first day of December next before the day of delivering such schedule and a true schedule (Form No. 12) of all trusts which shall have come to an end or of which the Official Trustee shall have ceased to be the trustee and the property subject to which shall have been paid or made over to the persons entitled to the same or to new trustees during the same period specifying the nature and amount or value of such property and the persons to whom the same has been paid or made over.

(2) The Official Trustee shall be entitled to the payment of a fee of Rs. 180 for the preparation of the half-yearly schedules under the last preceding rule.

Rule V.—(1) The accounts and schedules of the Official Trustee shall be audited every half-year and the Accountant-General shall from time to time appoint an auditor or auditors to examine the accounts of the Official Trustee.

(2) The auditor or auditors shall submit to Government together with the audit report a statement of the accounts in the forms specified below :—

(3) The Accountant-General shall be entitled to a fee of Rs. 150 for every half-yearly audit.

(4) The costs and expenses of preparing the said schedules and accounts, and of every such audit and examination as aforesaid, shall be defrayed by all the trust estates to which such schedules or accounts relate in proportion to the amount of transactions in each of the said trust estates. This proportion shall be ascertained and settled by the auditor or auditors, and shall be paid out of the said estates accordingly by the Official Trustee. Trusts whose income falls below Rs. 100 in the half-year will however be exempted from bearing any portion of the above charges.

Provided that mere conversion of securities into cash and *vice versâ* or mere change of security shall not be deemed to be a transaction under this sub-rule.

(5) When a trust estate is about to be closed the Official Trustee may call upon the auditor or auditors to ascertain and fix a definite sum to be retained by the Official Trustee to defray the costs and expenses referred to in sub-rule (4) *supra* in respect of the estate in question. The sum thus fixed by the auditor or auditors shall be treated as the proportion of the above charges to be contributed by the trust estate in question.

Rule VI.—(1) No person shall be entitled to inspect the books or accounts of the Official Trustee or the books, accounts or other documents belonging or relating to trusts vested in the Official Trustee without first satisfying the Official Trustee that he is a beneficiary under the trust, the relative books, accounts or other documents of which he desires to inspect.

The fee for such inspection in respect of closed trust estates shall be calculated at the rate of Re. 2 for every half hour or fraction thereof.

(5) No person shall be entitled to obtain copies of, or extracts from, the accounts of the Official Trustee or the books, accounts or other documents belonging or relating to trusts vested in the Official Trustee or copies of or extracts from the reports and certificates of the auditor unless he is a person who would be entitled to inspection under the preceding clauses of this rule.

NOTIFICATION

No 2, dated 5th February 1916

NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENSES.

The following notification is issued in supersession of Notification No 2, dated 5th February 1915, published in the Supplement to the *Fort St George Gazette*, Part II, dated 9th February 1915.

In exercise of the power conferred on him under section 4 (*g*) of the Madras Abkari Act (I of 1886), the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licenses on fixed fees for the compounding, blending, bottling and sale of potable foreign liquors from and after the 1st April 1916 within the limits of the Madras Presidency :—

1. The term "foreign liquor" in these rules includes all wines, spirits and beer imported into the Presidency by sea or land; plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid; all spirits manufactured or compounded in the country and made to colour and flavour to resemble gin, brandy, whiskey or rum (or spirits made in Malabar from cocoanut toddy, called "Malabar arrack") and excised at the tariff rates of import duty; and beer brewed in India or beer imported in a condensed form and afterwards converted into potable beer and duly excised, but excludes denatured spirits and ordinary arrack. In the case of licenses to Chemists, Druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term "foreign liquor" means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

NOTE.—The minimum strengths at which imported and locally made foreign spirits can be sold are 25° U P. for gin and 26° U P. for all other kinds of spirits including Batavi arrack, except denatured spirits and Malabar, Cochin and Ceylon arrack.

"Native" beer is beer brewed in India (*a*) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which juggery or crude cane sugar is employed, (*b*) which is brewed at a higher original gravity than 1,062° on a standard saccharometer and (*c*) the maximum price of which at the brewery is Rs. 40-2-0 per hogshead including the excise duty of three annas per gallon.

2. Licenses for the sale of foreign liquors shall be of the following descriptions :—

I. *Wholesale licenses for the sale of foreign liquor not to be drunk in the premises.*—These will be issued on an annual fee of Rs. 100 at the discretion of Collectors. Under these licenses the sale of liquor in quantities less than two imperial gallons or a dozen reputed quart bottles or two dozen reputed pint bottles of each kind at a time is prohibited. The holders of this license will have the privilege of issuing to licensed dealers only samples of liquor in quantities not exceeding one pint. In Madras town, holders of this license will not be allowed to sell "native" beer.

II. *Retail licenses for the sale of foreign liquor not to be drunk on the premises by any person.*—These will be of two kinds—one for the sale of all kinds of foreign liquor, except "native" beer and the other for the sale of beer brewed in India.

(a) The former will be issued at the discretion of the Board and Collectors on payment of an annual fee of Rs. 200 in the town of Madras and in Cuttack, Coimbatore and Vellington, Rs. 150 in towns having a population of 25,000 and over and in Kandukonal, Yercaud, Kotagiri and Cochin, and Rs. 50 in the rest of the Presidency. Under these licenses the sale of liquor in a quantity less than one reputed pint and greater than two imperial gallons at one transaction will be prohibited. In Madras the right of selling Colombo, Cochin or Malabar arrack for removal from the premises in bottles in quantities exceeding one reputed quart will be restricted to tavern-keepers who have taken out a special license for the purpose which will be issued on payment of an annual fee of Rs. 100, while the ordinary retail license-holder will be allowed to sell any kind of foreign liquor except Colombo, Cochin or Malabar arrack and "native" beer.

(b) Retail licenses for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 50.

III. *Hotel licenses for the supply of residents in hotels and boarding-houses.*—These will be of two classes at annual fees of Rs. 150 or Rs 75 in Madras, of Rs. 100 or Rs. 50 on the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licenses otherwise than to residents in hotels and boarding-houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or meals supplied to them.

In Madras a holder of a hotel license desirous of setting up and maintaining in his hotel a "bar" or "bars" may, on payment of a monthly fee of Rs. 50 for a first-class bar or Rs. 25 for a second-class bar, be granted a separate license to be called a bar license. This will cover the sale of foreign liquor, except Colombo, Cochin or Malabar arrack, under the same conditions and to the same extent as the tavern license.

In Madras, special bar licenses will also be issued to others than holders of hotel licenses with the previous sanction of the Board of Revenue. The fees in such cases will be fixed by the Board and the licenses will entitle the holders to sell to all comers.

IV. *Refreshment-room licenses* will be of two classes—

(a) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of dak carriages for the supply on the premises of travellers by such railways or dak lines.*—The annual fee payable for each license will be Rs. 50. Under these licenses liquor may be sold to *bona fide* travellers, or to other persons served with regular meals in the rooms for consumption on the premises to any extent, provided that no more than one reputed quart of spirits or two reputed quarts of any other kind of liquor sold at the refreshment-room may be sold at one time to any such traveller for removal from the premises.

(b) *For refreshment-rooms in which the sale of liquor is ordinarily combined with the supply of meals or of eatables prepared and served in the European manner.*—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licenses of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licenses. The premises to be used for the sale of liquor under these licenses must be at least of the monthly rentable value of Rs. 50 in Madras and in Ootacamund and Coonoor Municipalities and of Rs. 25 in the rest of the Presidency.

V. *Occasional licenses*, such as licenses for the sale of refreshment-stalls in connection with race meetings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licenses.

VI. *Special licenses* will also be granted by Collectors in consultation with the officers of the Salt, Abkari and Customs Department when the circumstances are such as not to allow of the issue of licenses of any of the above descriptions on such terms and conditions and for such periods as they may on each occasion determine.

VII. *Auctioneer's licenses.*—Annual fee, Rs. 5. The following are important provisions of this license:—

(a) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of tasting high class wines and spirits at their own houses before the auction sale.

(b) Authority to sell wines, spirits and beer in less quantities than whole dozens of each description in the case of sales by auction of the property of private parties or estates or of trade consignments which are ullaged or otherwise unmerchantable.

(c) Authority to sell by auction at places other than that specified in the license, viz., at any private residence at which the licensee may hold an auction.

---

* NOTE.—In places where there are beer shops, holders of retail licenses for the sale of all kinds of foreign liquor except "native" beer will be permitted to sell beer brewed in India on English principle only in bottles as evidenced by the country of which it was brewed.

VIII. *Licenses for the sale of pure rectified spirits.*—These will be issued to Chemist and Druggist firms and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licenses the possession of pure rectified spirits in excess of ten imperial gallons (or such larger quantity as the Collector may, in consultation with the officers of the Salt, Abkari and Customs Department, specially authorise) is prohibited. Pure rectified spirits must not be sold under these licenses for other than *bond fide* medical, industrial and scientific purposes, and the maximum limit of sale at one time to the same person is restricted to one reputed pint in the case of sale to a private individual, two reputed quarts in the case of sale to a Chemist, medical practitioner or scientific body and three imperial gallons to any Government, Local Fund or Municipal hospital.

IX. *Licenses for the sale, as tonic or medicine, of medicated wines and similar preparations* containing 20 per cent. and upwards but not more than 42 per cent. of proof spirit will be issued by Collectors on payment of an annual fee of Rs. 10.

X. *Licenses for compounding* $\frac{\text{or}}{\text{and}}$ *selling foreign liquors* will be granted to holders of wholesale licenses by Collectors and those for *compounding* to licensed distillers by the Deputy Commissioner of Abkari on payment of an annual fee of Rs. 250.

XI. *Licenses for the bottling of foreign liquors, except beer brewed locally*, will be granted to holders of wholesale licenses by Collectors and to licensed distillers by the Deputy Commissioner of Abkari on payment of an annual fee of Rs. 50.

5. Any two or more of the above kinds of licenses may be granted to the same person for the sale of liquor in the same premises.

6. No premises shall be used for the sale of liquor unless and until approved by the Collector.

7. All orders passed by Collectors under these rules will be subject to appeal to the Board of Revenue, whose decision will be final.

8. All licenses (other than occasional and special licenses) will have effect for the official year, *i.e.*, from the 1st April to each year until the 31st March of the following year.

9. The fixed fees exceeding Rs. 50 on all licenses (other than special and occasional licenses) will be payable in two instalments, one half being payable when the license is issued and the other half at the beginning of the second half-year, *viz.*, 1st October.

10. For the convenience of the trade, Collectors will, so far as possible, receive and dispose of applications for licenses under clause IV (*b*) to have effect during the following official year before the tavern sales for that year. Licenses for the sale of liquor in mufassal refreshment-rooms should be very sparingly given.

11. All further information may be obtained and forms of licenses may be procured at a charge of two annas each at the offices of Collectors.

12. The Board of Revenue in the department of Separate Revenue will issue such subsidiary instructions as may be necessary to the carrying out of these rules.

Bill No. 1 of 1916.—The Madras Irrigation Cess (Amendment) Bill, 1916, with Statement of Objects and Reasons—(Tamil), (Telugu), (Hindustani) and (Uriya).

Bill to be introduced into the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 33 of the rules for the conduct of business at meetings of the Council, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

No. 1 of 1916.

A Bill to amend the Madras Irrigation Cess (Amendment) Act, 1913.

WHEREAS it is expedient to extend the period of operation of the Madras Irrigation Cess (Amendment) Act, 1913; It is hereby enacted as follows:—

1. This Act may be called the Madras Irrigation Cess (Amendment) Act, 1916.

2. In section 1 of the Madras Irrigation Cess (Amendment) Act, 1913, the year "1920" shall be substituted for the year "1916".

STATEMENT OF OBJECTS AND REASONS

The Madras Irrigation Cess (Amendment) Act, 1913, was passed as a temporary measure extending only until the 31st December 1916 in the hope that practical experience might lead to the discovery of general principles, capable of being embodied in an enactment, for the purpose of determining the respective liabilities of the landholder and the ryot with regard to water-cess payments. No such principles have yet been evolved, but before finally abandoning the attempt to formulate them in an amending enactment, it is desired to gain further experience of the rules adopted for the disposal of the various cases which are found to arise. Hence the proposal to extend the period of the Amending Act of 1913 from 1916 to 1920.
